SECRET 25X1 from Hegyeshalom (P 18/Y C6). A tank truck was being re-25X1 the personnel of the unit stationed at the field was not farilier with Austrian coney. 25X1 the renbers of the unit were being trained. only a few flights were made. Six AA guns with flash hiders were emplaced in the AA gun emplacements on the southwestern edge of the field. They were guarand by sentries who were red-bordered black epaulets. Five trucks, 2 van-like trucks, and 8 additional motor vehicles were parked in the two completed garages near the motor pool 25X1 Fifteen trucks, 5 trucks with canvus-covered superstructures, and 5 tractors were purked between the motor pool and the two low wooden buildings near which the long-wire antenna was located. Two MiG-15s without tails were observed near a low wooden building probably the aircraft repair shop. Their projecting jet engines were covered with targaulins. Motor vehicles were occasionally observed on a concrete road 6 to 8 meters wide and located south of the purked aircraft. The soldiers observed were engaged in maintenance work on motor vehicles and aircraft. Lad Voeslau (0 48/X 36). Between 8 and 9:30 a.r. on 12 December, 17 Fe-2s, 2 Li-2s, and 1 M plane. were parked at the field. There was a 10/10 overcast at an altitude of about 2,000 meters, a westerly wind at a speed of about 10 km/h, and good visibility. Fo activity was observed at the field. All the radio installations remained unchanged. Small brick buildings, about as large as low wooden buildings used as dwellings, were erected near the radic installations near Daynhausen (0 48/X 36). Sentries wearing black-bordered blue epaulets were rosted at the komendatura. Soldiers who entered and left this building wore the same epaulets. Only a few officers were observed. Truck with a superstructure and 25X1 were parked in the yard of No 13 Bahnstrasse. 25X1 a woman with headphones and wearing black-bordered blue epaulets sat in front of a switchboard. It was not observed that the building was guarded. The laundry was guarded by sentries who wore black-bowdered blue and truck epaulets. Trailers tank truck 25X1 were parked in the yard. Individual soldiers wearing black-bordered blue epaulets entered and left the building. Voeslau Castle was also guarded by sentries wearing black-bordered blue epaulets. Three van-like trucks and 2 trucks were parked in the yard. Sentries wearing black-bordered blue epaulets were posted at Gainfarn Castle. No traffic by passengers or motor vehicles was observed. Six motor vehicles were parked in the garages of Theresienhof. Civilians who spoke Russian entered and left the installation. Goetzendorf (P 49/X 57). Between 8 a.m. and 2 p.m. on 11 December, Goetzendorf airfield was occupied by 46 Pe-2s, 3 Aira Cobra F 63 A planes and 2 Boston A 20 lanes. There was a 5/10 overcast at an altitude of about 1,500 meters, a 15 km/h northeasterly wind, and clear visibility. No air activity was performed. A Pe-2 plane with-

	tion on the scutheastern edge of Goetzendorf. Four soldiers who wore black-bordered blue epaulets and carried rods and climbing irons entered the installation coming from Mannersdorf (P 48/X 66). Officers observed in the	
	officers billets at the southeastern edge of Goetzendorf included 3 majors wearing black-bordered blue epaulets and 2 majors wearing red-bordered black epaulets with artillery insignia. No activity or change was observed in the dump containing combustible materials.	
1.	Comment. Wiener Neustadt airfield is still occupied by two fighter regiments equipped with a total of 36 MiG-15s. The total of 11 IL-28s observed at the field in early November has not been increased since. It	25 X 1
	cannot be determined whether the IL-28 planes are assigned to a unit at Wiener Neustadt or whether they are there only temporarily for training purposes.	• •
2.	Comment. It is believed that Farndorf airfield is still occupied by a fighter regiment which arrived in Farndorf in October 1952 from an undetermined location.	25 X 1
3.	comment. According to the preceding reports, no changes were observed at Bad Voeslau and Goetzendorf airfields.	25X1
